

Let us be your pet's home away from home!

Our lodging prices and accommodations make things easy for you and more enjoyable for your pets. Eastside Animal Hospital wants to make your pet's stay as stress-free and positive as possible. We offer special packages that will make booking amenities for your pet's reservations quick and easy!

To expedite your arrival and departure we offer specific check in and check out times. Just like your favorite resorts, we ask that you check in after 10:00 am and check out by 3:00 pm. No big deal if you can't, we understand! There will be a \$10.00 early check in or late check out fee added to accommodate any special circumstances you may have.
